- 3) However, the public will be provided with alternative access through which they can watch or listen to meetings “in real time”, and meeting notices will specify the manner in which members of the public may access audio or video of the meeting as it is occurring.
- 4) If, despite our best efforts, our technological capabilities do not adequately support public access to virtual or remote meetings, the Town will ensure that an audio or video recording, transcript, or other comprehensive record of the proceedings at the meeting is posted on the Town’s website as soon as possible after the meeting.
- 5) Notices for public hearings will contain additional information about how the public may participate via electronic/technological means.
- 6) For executive session meetings, public access to the meeting will be limited to the open session portion(s) of the meeting only. Public access to any audio, video, internet or web-based broadcast of the meeting will be discontinued when the public body enters executive session.
