Rockland Zoning Board of Appeals
242 Union Street
Rockland, MA 02370

Subject: **Maplewood Estates – Roadway As-Built Plan and Roadway Acceptance Plan**

Dear Board Members:

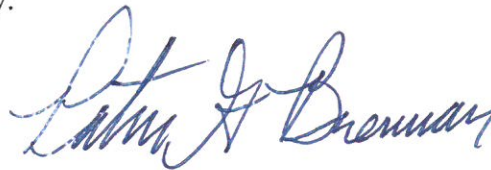

This is to advise that we reviewed the Roadway As-Built Plan, revised September 2, 2016 and the Roadway Acceptance Plan, dated October 19, 2016, prepared by Outback Engineering, Inc. for the subject project. Based on our review of the as-built plan and inspections during construction we believe that the plan accurately represents the construction 'as-built.' We also believe that the Roadway Acceptance Plan is suitable for Town acceptance.

Should you have any questions, please give us a call.

Very truly yours,

AMORY ENGINEERS, P.C.
