CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Mr. Rosa,

I wanted to reach out as a courtesy notification that we will be performing stormwater test pits at 75-77 Pond Street (Shinglemill) on February 1<sup>st</sup>, 2023. These are to be witnessed test pits with the engineering peer reviewer as requested in the review letter. Given the past concerns with equipment entering the site for other portions of the project's due diligence, I wanted to make you to be aware of this work. I have attached a plan showing the proposed testing locations in red. These will be staked by our survey team prior to our test date.
