

letter of support for our neighbor, Marcus Martins at 307 concord st
Rockland

Our neighbor Marcus Martins usually uses his truck to work and parks it
behind his property, where it doesn't bother us, doesn't harm us and
doesn't cause noise, always taking good care of his property

I'm in favor of him being able to park and leave his stuff on his property
where I'm the nearest neighbor and can't see or hear any noise.
