Good morning, Debra,

Hope all is well with you.

Just checking in on the status of the homeowner at 307 Concord St operating a fence business on his property in our residential-zoned neighborhood. Activity continues to increase. On several occasions since we last spoke at Town Hall there have been large tractor trailer deliveries which have stopped traffic on Concord St for a considerable amount of time while the truck driver maneuvers a 40-foot trailer backing into a residential driveway for a delivery of materials. There is no limit to hours of operation, i.e. a Saturday night at 11:30 PM and numerous mornings prior to 7 AM.

Any feedback is appreciated.

Thank you,

Kathleen Boyd
