CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I understand that the resident at the above address has filed to have a business that installs fences. I understand that it has not been approved as yet. However, a great deal of materials has been brought in and stored on the property behind a large fenced in area. I believe that this business is completely inappropriate for this residential area. Large tractor trailers continue to come and go to this area.

I would like to be on record as objecting.

I would appreciate acknowledgement of this email.

I can be reached at the above email address or at 781-878-1773.

Thank you for attention to my concern.
